ERA 1: MACHINERY MANUFACTURED
JUNE 1925 - DECEMBER 1931

"GRAY" COLOR FOR BASE MACHINE: FEDERAL STANDARD 595B-26134

"RED" COLOR FOR TRIM: FEDERAL STANDARD 595B-11120

TRADEMARK DECALS: RED LETTERS WITH SILVER BORDER

Note 1 - The FEDERAL STANDARDS refers to paint color standards used in the U.S. The specifications describe "color" codes, not paint mixing codes. The "color" can be mixed by all paint manufacturers for any grade of paint desired. Most local paint distributors can obtain the mixing formulae by consulting their manufacture color code reference center.

Note 2 - Color reference "chips" for the above FEDERAL STANDARD color codes can be purchased for a fee of $5.00 each. To order, specify color code/quantity and send payment to:

General Services Administration - Specification Federal Supply Service
Suite 8100
470 E. L'Enfant Plaza S.W.
Washington D.C. 20407
Phone (202) 619-8925

Note 3 - Machines manufactured in Peoria, IL, and San Leandro, CA, used identical gray/red

paint colors and decals as described above.

ERA 2: MACHINERY MANUFACTURED
JANUARY 1932 - JUNE 1979
