

Australia Chapter 19 Inc.

Cordially invites you to the
2023

TAIL SEAT HIGH TEA

event and tour weekend

Spread over two days, commence your journey with a visit to Mawson's Pyramid Hill quarry, and join us for lunch in Cohuna, where you can choose to inspect their collection of heritage equipment or other activities before gathering at the Mercure Hotel in Echuca. A coach will provide transfers to The Great Aussie Beer shed where on arrival we will be given a tour, prior to an awesome two course spit roast dinner and access to full-service bar. Brush up on your trivia for some entertainment and prizes on the night, before being transferred safely back to the hotel by coach.

On day two enjoy the company of friends new or old for breakfast in Echuca, before a short drive to the Meyer farm, where a leisurely 'ploughman's lunch' will be on offer, along with tour of the farm and machinery, before departing for home.
